

# Forgiveness

Ellen Rice (Copyright June 28, 2014)

[Verse 1]

You saw me from the crowd, you spied a glimpse  
It's easy to forget, now you're not here  
I never play the tape of words you told me  
That once were ringing in my ears

[Chorus]

Is this what, forgiveness feels like?  
Is this what, forgiveness feels like?  
Is this what, forgiveness feels like?

I don't know  
I don't know  
I don't know  
I don't know

Is this what, forgiveness feels like?  
Is this what, forgiveness feels like?  
Is this what, forgiveness feels like?

[Verse 2]

I Dreamed a dream last night, that Hell had come  
They pulled my teeth, I writhed in bed, I cried aloud

But you, were by my side  
You held me as I cried  
You were kind, As you'd never been in life  
You were kind, the way you'd seldom ever been in life  
You were kind, You were kind  
You were kind, You were kind

[Chorus]
