Urubu, Urubu
Urubu, a sua sombra,
Urubu, a sua sombra no mar, me faz pensar

Quase um homem
Com o mundo nas mãos
Potencial interrompido, Um amigo perdido

Por isso eu canto
Por isso eu canto a paz
Porque, aqui não tem mais...

[repeat chorus]

English Translation:

Verse 1:
Crow / Vulture
Your shadow
Crow, your shadow over the sea, reminds me

Crow, go fly, go fly, go fly! (be free)

Almost a man

With the world in his hands

Interrupted potential, a lost friend

Crow, go fly, go fly, go fly! (be free)

Verse 3:

This is why I sing

This is why I sing for peace

Because here, there is none left

Chorus:

Crow, go fly, go fly, go fly! (be free)
