

Flying Eagle Woman
Sherri Tennant

Verse 1

Flying Eagle Woman
Soar above with grace
Your days on Earth were numbered
But the smile on your face will never fade.

Verse 2

You suffered with two others
From the hatred that exists
Short-sighted people
With a greed that knows no bliss.

Chorus

Ahahah Ahahah Ahaahahah
Ahahah Ahahah Ahaahahah
Guide us with your vision.
Show us a new way.
Flying Eagle Woman
We know that you're here to stay.

Instrumental

Chorus

Ahahah Ahahah Ahaahahah
Ahahah Ahahah Ahaahahah
Guide us with your vision.
Show us a new way.
Flying Eagle Woman
We know that you're here to stay.
Lead the way!
